Dear Central Jersey Bicycle Club!

Last September, Tyler Robinson Foundation staff member Jesse Robinson and volunteer Jeff Steenblik biked from CANADA to MEXICO (CanCo) on a journey to change the lives of 10 families. Along the route they surprised 10 pre-selected pediatric cancer families, who were financially struggling, with a \$10,000 Grant from the TRF.

- watch the impactful video from last years 10 families surprised: <https://www.youtube.com/watch?v=e2nNsmXjIXs> •

This September, we are doing it again! We are moving from the West Coast, to the East Coast - Niagara Falls, CANADA to Key West, FL surprising another 10 deserving families each with a \$10,000 grant from TRF. Additionally, on the last day of the ride (Sept 17<sup>th</sup>) we will be surprising "10 bonus" families in 10 different cities across the country. These surprises will be carried out by TRF Volunteers and associated Sponsors.

TRF's mission is to rescue families from the emotional and financial struggles that each family faces with diagnosis of pediatric cancer. Founded by Grammy Award winning band Imagine Dragons and the Robinson Family in 2013, we have served hundreds of pediatric cancer families with our granting program with grants ranging from \$10,000 to \$50,000.

TRF would like to extend The Central Jersey Bicycling Club the opportunity to be a sponsor for our CanCo East Coast event this year. On the page below you will see the outline of the sponsorship needs, as well as the associated marketing projected value.

Hi Central Jersey Bike Friday Club,

I'm a BF rider, have been for 14 years. I lead multi day trips on the Indonesian islands of Sulawesi, Bali and Flores. Be thankful if you could pass this on to your members. Colin Freestone

### **CYCLE INDONESIA**

Beginning 2009 we have led 18 trips on the Indonesian islands of Sulawesi, Bali and Flores. We provide riders with an authentic intercultural experience in the areas we cycle through covering food, language and customs. Our routes are on quiet country roads and we stop often enough to try local fruits and delicacies, to yarn with locals or to cool off under waterfalls. Accommodation is 'best available' which usually means, at the very least, AC, hot water and sit down toilets. The reality is a wide range from luxurious beach resorts to rustic village family guest houses. The groups are led by an Indonesian speaking Australian guide assisted by English speaking Indonesian drivers in support vehicles. Riders go at their own pace and can jump on a van at any time.
